### Educational Out Reach Programmes

- ✓ Anlaby Studios give schools the opportunity to come to a professional environment to learn and be creative.
- ✓ Students can come in small or large groups and use the three spacious studios all with special flooring, mirrors and air conditioning.
- ✓ We can provide inspiring and experienced teachers to lead sessions based on current topics.
- ✓ We could also provide an opportunity for teachers and their continual professional development - integrating movement into lessons to make learning more fun and manageable.

### Activities could include: Dance/Art/Music/Singing

Prices are variable depending on the size of the group and how many teachers are required.

However, we will work along the basis of:

1 Class of 30 students for an hour workshop = £50

1 class of 30 students for a 2 hour workshop = £100

A full day providing a carousel activities within the establishment = £400
